What's Happening!

Welcome to this month's Australian Square Dance Review full of information and reports from the National Convention. While the 51st committee is finalising their convention the 52nd Convention committee is counting down the months and fine tuning their organisation ready for a great experience in Darwin. For your convenience the centre pages of the Review has a registration form for the national. The Queensland state convention is being held in May 2011 in Toowoomba just prior to the National so if you're travelling perhaps enjoy both.

Consideration is an important value. The Ten Commandments of Square Dancing, which has been reprinted this issue, raises some important points that we should all consider when treating our fellow dancers.

A 1996 study by Dr. Arron Blackburn indicates that Square Dancing will add ten years to your life. He states, "It's clear that square dancing is the perfect exercise. It combines all the positive aspects of intense physical activity with none of the negative elements." Congratulations to Pat McMahon from NSW who recently celebrated his 95th birthday at his square dance club. Till next time.

Rosalind

52nd National Convention

Now that everyone has settled down after the Convention in Wodonga, it is time to start thinking of Darwin. As you are aware; accommodation and flights need to be booked early, as it is the busiest time in Darwin in June.

We are pleased with the registrations coming in so far and are looking forward to next year. We are so fortunate to have such a wonderful group of people on our Committee, we have been working towards Darwin for quite a few years now and we are still the best of friends, we have fun and work well together.

Congratulations to Ian McLean from Matamoras Club for winning the Accommodation Voucher at Aurora Kakadu, we know you will enjoy it. Having recently spoken to Aurora Management, there seems to have been quite a few people taking advantage of the special price they have given our dancers, so if you would like a great experience why not try this for yourselves.

For any of the dancers who were not at Wodonga, or didn't pick up a registration form be sure to check our webpage for more discounts, go to. www.darwinsquaredance.asn.au

Gary Petersen – A.C.F. Public Relations

Hello Everyone, in this article I will explain a bit about a body called Callerlab. For want of a better description Callerlab is the 'Big Daddy' of caller organisations within the world of Square Dancing. Basically it is there to overlook and maintain uniformity within our dance programs which enables our activity to be enjoyed worldwide. It does not matter where you go in the world Square Dancing is all called in English and apart from some styling differences (like in Australia) the call definitions are the same.

Callerlab have a website which anyone can access and it is www.callerlab.org you can find out all sorts of stuff and it is well worth checking out. Callerlab is based in America funnily enough but has members throughout England, Europe, Japan, Asia, New Zealand and Australia. Membership is open to any Square Dance Caller who is willing to be involved and has attended a Callerlab Convention or a Callerlab MiniLab. As a member of Callerlab you get opportunities to be active in decisions made by Callerlab covering definitions, program changes and the like which affect everyone. Obviously the majority of members are in the USA but we can make a difference by becoming a member and standing up and having our say.

Callerlab was founded in 1971 and some of its goals were to; (1) Put the dance back in Square Dancing; (2) Establish standardisation of calls; (3) Provide adequate training for callers. In 1975 Callerlab established the 'Mainstream' list of calls. Each year Callerlab have a Convention, this is not for dancing but is purely a Callers Convention held over 3 days with training panels, discussion panels and plenty of opportunity to foster fellowship. In Australia we have held a few Callerlab MiniLabs with the last one on the Gold Coast in 2008 following the Brisbane National Convention. At our MiniLabs we get to hear and gain knowledge from the Callerlab delegates who are on the Board of Governors as well as our experienced callers. The ACF's role for a MiniLab is to organise the whole event and liaise with Callerlab to ensure we have the right content of training panels and discussion panels as well as ensuring plenty of time for fellowship. The ACF have proposed a 2 Day Caller Conference prior to the 2012 National in Tassie. For more details and expressions of interest please contact your ACF State Coordinator. Bye !!!

Australian Clogging Association Inc. Report

Noticed a great poster in a certain Credit Union branch near us. Very colourful, and it was titled 'Zest- The Wonderful World of Fifty Plus'. No, it wasn't a promotion for the '50 Plus Activity Centre' at 157 Ann Street, Brisbane City, where we clog the morning away every Monday, but it could well have been, because if you have visited us there you will know just how energised the dancers are- and if you haven't joined us (visitors always welcome) come along and join the throng, you'll love our company!

A trip to Loganlea to visit our friends at the Older Women's Network Group saw us once again made very welcome when the 'Get Rhythm Dance Team' put on a clogging demo. for their members. Several got up and found how easy it is to learn the basic steps of this great pastime.

Olive and her helpers once again did a super job with Aussie Clog, bringing together dancers from near and far amongst the gumtrees at Kindilan, Redland Bay. All levels of dancing were catered for with great cueing.

Open invitation to all to be in Strathpine on the 17th August for the Dickson Seniors' Expo in the Strathpine Community Centre, Mecklem Street. By popular demand a clogging demo. starting at 10:15 a.m. will wind the crowd up, getting them in the mood for other great entertainment, plus a chance to visit an impressive line-up of stalls, many with info., advice and assistance for the over-fifties. The canteen will be operating. There is plenty of off-street parking. Admission is FREE!

The popular Kay Walker, who had a break from clogging due to her heavy workload as a noted square dance caller, has got her clogging shoes out of the cupboard and is back stepping it out with friends old and new. As they say, you never lose the gift.

With the votes in for the Queensland 'SHOWCASE' entry at this year's National Clogging Convention in September in Bendigo, we are now busy practising the chosen dance. Thanks to Dell Sutcliffe, as ACA State Representative, for tabulating the results.

Jan Watford reports many enquiries about the New Zealand Clogging Association's Convention in late September.

Enjoy yourself- dancing is the way.

Solo dancers

The 51st Australian National Square Dance Convention in Wodonga was (weather wise) colder on the inside (no internal heating) than the outside (lovely sunshine). But (dancer wise) the convention was very warm and friendly. Solo Dancers were finding partners easily and having a ball. At the Solo Dancers meeting the reason why "DWP" (Dancer Without a Partner) was printed on the Smiley Badge was explained by Barry Chandler. Many dancers, who for one reason or another dance on their own, are not necessarily "Single" or "Solo", they may be married or have a partner, hence the decision to use "DWP" rather than "Solo" on the badge. Hopefully when more badges are made they will only have the Smiley Face with the option of attaching a "Solo" or "DWP" sticker. The next Solo Meeting (probably a social get together before the Friday dance) will be held in Darwin, June 2011.

Congratulations to Pegg and Brian from Greenwich Swingers – wishing you both a lot of happiness and joy for your wedding in September.

Email ejboyd@bigpond.com if you would like to be added to the Solo Newsletter list.

National Square Dance Society of Australia

Public Relations Report

During the 51st Australian National Square Dance Convention held in Wodonga, the National Society, as is usual, held its AGM. The positions of President and Vice President were up for election. Leighton Bloomfield (Qld) was re-elected as President and Steve Longwood (WA) was elected as Vice President. Steve is also our internet coordinator. These positions will be held for two years. Many thanks to Gail Giuliano, our previous Vice President for her contributions. Gail will continue on the committee as the ACT delegate.

People often ask me about calls to our 1800 line so listed below are the statistics for the last two years.

	2008/2009	2009/2010		2008/2009	2009/2010
NSW	36	35	SA	18	18
Victoria	46	30	Tasmania	2	2
WA	13	16	National	5	4
QLD	25	24	Hoax	3	0
ACT	7	4			

Many of you will remember that in 1988, the National Society ran a promotion for dancers to earn special bicentennial medals. If you danced 200 hours and danced in all states and territories, you were eligible for a gold medal. The National Society has decided to conduct another similar promotion. The details are yet to be worked out but Gail, who organized the 1988 promotion, is looking at the options and possibilities so watch this space for further developments.

In recognition of their contribution to Square Dancing, our Society keeps a roll of honour and this year, four new people were inducted into this roll.

They were:
Adrian Brown, Victoria
Gordon Hearne NSW,
Alan Hansford, NSW
Pauline Hansford, NSW-

I feel very strange writing about myself. The roll of honour recognizes people who have given much of their time to the betterment of Square Dancing, not only in their own state but nationally over the years. I will publish a full listing of acceptances to the Roll Of Honour in a future issue.

Pauline Hansford,
Public Relations Officer

GREENWICH SWINGERS

Caller: Brian Hotchkies

Club members who went to the National had a great time. Kee and Wan from New Zealand danced with us in June. Pat McMahon's 95th birthday party was a fun filled tribute to a remarkable person and inspiration to the square dance world. Bill's "cake" from which Marilyn Monroe (Peg) emerged to sing happy birthday is a work of art.

SAPPHIRE SQUARES

Pam & George Pitt

Nice to have Arthur back dancing with us after travelling north to the sunshine and visiting a new grandson. Congratulations Arthur. NEWPORT OCEAN WAVES

Caller: Jim Brooks

Glad to have Jim back after his week at Brian and Wilma's callers' school in Casino. Thanks to Doug for running our dance in Jim's absence. Reprinted from Callerlink October 2009

Jeff Van Sambeek has been active in square dancing in Western Australia for over thirty years, He was born in Holland and now resides in Craigie a northern suburb of Perth with his wife Marilyn, between them they have four children.

Jeff has been a training officer for the CAWA for a number of years and has been instrumental in assisting many West Australian callers in achieving Club Caller status, in addition to this Jeff has provided the CAWA with many interesting workshops and seminars. As well as his many commitments to the local scene Jeff has held a board position and has been the Chairman of the ACF for a number of years.

He started calling in 1977 and calls for two clubs in WA , Dianella Rangers and Boomerangs from basic through to advanced 2 , he sometimes cues rounds and has cued contra in the past.

PELICAN PROMENADERS

Caller: Lorraine Long

Three dancers Ron, Lorraine, Jeff enjoyed the fun of the Wodonga Convention. Great time but we sure needed long johns! Thanks Convention Committee for all your efforts. Getting cooler around Woy Woy too, which makes it enjoyable to dance, but does affect attendance. Working our way through Beginner's programme but have lost a few for various reasons which is disheartening.

WILLI - WHIRLERS

Caller: Wilma Flannery

The Caller's School now over congratulations to Glenn Wilson, Barbara O'Connor, Jim Brooks, Karen Fenton, Barry Knight, Margaret Baines, Ron Reiman and Wilma Flannery. Brian Hotchkies the teacher-changed hats and became host caller for our 27th Birthday with five squares dancing. Everyone enjoyed themselves getting reacquainted with friends.

TOP CATS Monday (A2)

N.S.W. President's Report

Hello everyone, I am back from holidays and yes, I had an excellent time. Alaska was wonderful and I would recommend it to anyone.

We now have a new Society Secretary, Neville Jarvis, from the Hillbillies Club. Welcome Neville, I feel sure you will fit in with the rest of the executive and enjoy your term of office.

Many thanks to Robyn Craine for filling in for Olwyn Gordon while she was overseas.

The National Convention was very good although the weather was very cold. Next year's in Darwin should be a lot warmer.

The Society's July dance is now over and I hope everyone had a super time. Our next 5th Saturday dance will be held in a westerly direction, at Werrington so keep the 30th October free for another top day of dancing. Yes, there will be clogging and rounds at the same hall on the same day. Look forward to seeing you all there.

Next month is also our State Convention and anyone needing more information about it, please do not hesitate to contact me.

Happy dancing,
Roslyn Burrett

TOP CATS 2nd Saturday (Combined Dance)

Caller: Brett Gill

Nice to see visitors from the Central coast for our June Dance. Heaters in full swing, warming the hall before the dance starts. Our Saturday Dance has something for everyone Mainstream, Plus, A2 and Round Dancing ... come and check us out.

CLOVERLEAF DANCERS

Caller: Darryl looker

A warm welcome to our newer dancers: Michael, Rex, Ross, Joey, Julio, Robyn, Monique, Corinne, Timothy, Anthony, Kara (return) and Neville. Kara has commenced teaching rounds before squares each Wed. night. Appreciative thanks to former Nambucca dancers who donated square dance outfits to our newer dancers. Also thanks to Al Puzas for organising this.

GLEN SQUARES

Barry Knight

Well we officially recorded the coldest temp in New South Wales and getting colder. Ice already forming as we head to the hall. Dancing numbers down but that is happening all over, in small towns it is very difficult to overcome. As this is being read Brenda and I will be in Surfers Paradise.

CARPENTER & CO

Gary Carpenter

And a good time was had by all in chilly Wodonga. Even though Tarla preferred the warm corner in the canteen to the dance hall I still managed to get a couple of dances with her. It was better than Eve' spending the weekend in hospital. Let's hope the air conditioner in Darwin works better than the heater in Wodonga.

SUMMERLAND LARRIKINS

Caller: Wilma Flannery

While Wilma was away at the National, Karen and Frances carried the night with easy mainstream and plus. Brian Hotchkies, fresh from his overseas tour, bamboozled callers at the Casino callers' school. They were outstanding with their newfound skills at our Friday night dance. Thanks to Eric for his round dance night. Happy birthday to Alanna, Leila, Fay Jeanne and Neil.

SOUTHERN OCEAN WAVES

Friday Tapes Club

Our Friday nights had a bit of a hiccup with some of our dancers travelling, but are back on track again. All looking forward to our next party, Christmas in July, with caller Allen Kerr.

STAR TWIRLERS

George & Aileen Kent

Things have been very quiet of late Barbara is our newest member just moved from Canberra--such a nice lady. All the mob are back from holidays in the United States and Canada. They all had a good time. The cold weather has hit and we have to do as much dancing as we can to keep warm.

GUYS & DOLLS Bulli RSL and Corrimal

Marion & Tedda Brooks

Lots of those dancers who attended the National are back, whilst others are still travelling the country in their RV's. Still others are overseas enjoying their retirement to the full. Some have taken the opportunity to dance in other countries and remark on how warmly welcomed they are wherever they go. Tuesday Daytime Dancing continues to be very popular.

HILLBILLIES SQUARES Beecroft

Callers: Vickie & Steve

Plans in hand for our 27th Birthday with a Country & Western theme. Should have been in June but was delayed because of the Convention. Don enjoyed his trip to Albury for a golf tournament. Bad luck for Anna, she cut her thumb on broken glass and it had to be stitched. She still came to class with her hand in a sling. Daughter Natalie is back clogging again and she was able to drive Anna. Still working on selection for coming convention.

MOUNTAIN DEVILS

Caller: David Todd

Some dancers enjoyed the Society dance at Warriewood with caller Brian Hotchkies. Some travellers have returned with lots of lovely pictures to share. New school term started and more children are able to enjoy square dancing with David.

SOLUTION to BASICS & MAINSTREAM

Caller Profile: Jeff Van Sambeek Cont.

Funniest Experience: I was doing a workshop in Margaret River in the 90's during their annual birthday weekend. It was Sunday morning and we had 4 sets of dancers on the floor. When all of a sudden Peg Breadsell (The President) came running out of the kitchen and called out, "Come quick girls, the Eagles are on the oval training" (which was next to the hall). With that the floor was empty in a flash while my hoedown music was still pounding away with me standing there open mouthed.

The Ten Commandments Of Square Dancing Cont.

10. You shall never forget that you were once a beginner and that others helped you to become a good dancer by tolerating your mistakes. You shall always remember that if you are to be able to continue in square dancing for a long time there must always be beginners and new dancers joining your hobby, and they need your patience and assistance.

Letter to the Editor

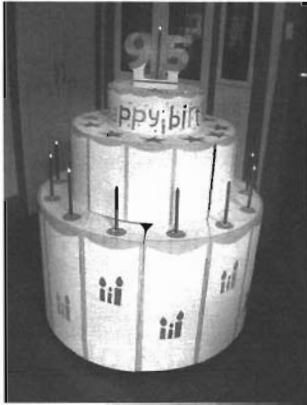

I started square dancing in 1970, had a break for some years and then returned to dancing and calling about fourteen years ago. I have been heavily involved in the promotion of square dancing in New South Wales and have held executive positions in all New South Wales square dancing/caller organisations. I have been teaching children in schools for the past thirteen years.

Dancers often ask me what I believe the outlook for square dancing is in the future and how we can gain new dancers to our activity. Before we gain new dancers we need to maintain existing dancers. We are all aware that our square dance population is ageing. What disappoints me is people's lack of consideration for each other. I have noticed how people avoid dancing with those they feel are not up to their standard or who are moving too slowly. Remember we are all getting older.

The article reprinted from the Review (The Ten Commandments) in 1997 is as relevant today as it was then. We should all be mindful of these statements and reflect on how we expect to be treated. After all, square dancing should be fun and friendship set to music.

David Todd

Pat McMahon Celebrates

The June Review had an article about Pat McMahon along with an advertisement for his 95th Birthday Party at Greenwich Swingers Square Dance Club. The party was a huge success, not least from the work of Bill making the huge cake and Pegg emerging from the cake, as Marilyn Monroe singing "Happy Birthday Mr. President" to Pat whom we had made President for the night.

The Ten Commandments Of Square Dancing

This article written by Chris Froggatt was printed in the South Pacific Square Dance Review in 1997.

This thought provoking set of "Ten Commandments" is taken from a very old American Square Dance magazine. I have found that the philosophy and meaning behind them is the important thing, rather than the literal translation.

A wise man once said that you will get out of life what you put into it. There is no doubt that this applies to Square Dancing too! The following "rules" are meant as good advice, and should be seen as a way of keeping our activity courteous, fun and fulfilling.

1. You will Square Dance only for the fun that you will find in it.
2. You shall not be a snob by considering yourself too good to dance with any and all by sitting out mixers, or by leaving a square lest you be required to dance with those you deem unworthy of your talents, for the gods of retribution will visit mischief upon you and you will be the one to goof in the square.
3. You shall be exuberant, but shall act your age. Do not offend others by your high flung legs, out flared skirts, or by over zealous endeavors to help others who may hesitate by pulling, grabbing, or pushing upon them or speaking loudly to them.
4. You shall go abroad and dance to other callers so that your opinions expressed as to the merit of this one and that one are based on fact.
5. You shall be conscious of the feelings of those around you, and shall not let the stranger in your midst sit on the side lines nor fail to speak to him or her.
6. You shall bathe diligently, that the sweet aroma of soap and shaving lotion may assail the nostrils of your associates. You shall similarly take care that the words of your mouth are not scented with strong smelling herbs such as garlic, or strong smelling beverages such as beer. Men shall wear long sleeved shirts so that their arms may be more pleasant to grasp.
7. You shall guard carefully the utterances from your lips while dancing, lest you add confusion to your square and cause yourself or others to hear the next call, for there is but one designated caller in the hall.
8. You shall honour your club and give your loyalty, for if you cannot do this, it would be better to separate yourself from it and join yourself to another whose methods, members and caller are more to your liking.
9. You shall not kill your club by bickering and fault finding, or by pointing fingers of blame for errors in dancing or club operation, at any member or fellow dancer, for, in so doing, such a finger may thus be due in your direction

Travelling to Darwin

During the National convention in Wodonga we had the opportunity to discuss our tour to Darwin with a rep from the Northern Territory Tourism Commission. She requested a copy of our proposed itinerary for Darwin and once she had checked through it, she advised us that she couldn't better the prices. She may however be able to offer a small discount on The Ghan but this will be subject to the number of people interested in travelling on it for their homeward trip.

We now have 20 rooms in a hotel on hold but only for a very short time without deposits. Likewise the airfares will have to be paid in full on booking. A deposit of \$1000.00 per person will be required by 24th September 2010. We ask that anyone interested in joining the tour, contacts us ASAP in case we have to try and hold more rooms.

Kind Regards Celia & Chris Karas

W.A. President's Report

On the 27th July Dianella Rangers hosted a very competitive 26th Amateur Caller's Function. Greg Fawell representing Greenfinches won the judge's choice and Rod Dickinson representing Dianella Rangers won the dancers choice award. Well done to all the contestants, judges, dancers, organisers & sponsors who supported this great event.

Congratulations to Riversiders Square Dance Club who celebrated their 40th birthday on 6th July. Trish Hollaway provided a great program of square dance, contra and rounds to entertain all the visitors and club members. Thanks also to Jeff Garbutt who trekked all the way from Bunbury and Greg Fawell who visited as a dancer and gave a call to continue honing his skills as an up and coming caller.

The society beginner's classes graduated 11 more enthusiastic dancers at the Como venue on 8th July with another lot commencing their classes from 20th July. Once again we thank all the angels and management team for their dedicated support of each week of the classes. We

are continuing to get a growing number of new learners and more ladies learning the left hand dance position which will gradually filter back and provide a new lease of life to more and more clubs.

After returning from the 51st ANSDC we are now enthusiastic to secure good accommodation and start thinking about other things to do while visiting Darwin to 'dance a while with a crocodile'.

Please continue to keep your local magazine editors, club and caller webmasters updated on any changes in venues, times and details so that we can all benefit from accurate data at every opportunity to encourage more participation.

See you on a dance floor soon.

Regards Steve Longwood
President of the SDSWA
